

Created by Steve Wallace

Please report errors or omissions to [steve@refschool.com](mailto:steve@refschool.com)

1. Attacking player Ogilvie kicks the puck, which hits another attacking player's skate and then enters the net. SRD.

**No goal. Face-off at the nearest neutral face-off spot.**

2. Attacking player Lowe bats the puck with her hand. The puck hits the shaft of a defending player's stick and then enters the defending team's goal. SRD.

**No goal. Face-off at the nearest neutral face-off spot.**

3. Attacking player Wallace kicks a discarded stick at the puck. The stick hits the puck and propels it into the defending team's goal. SRD.

**No goal. Assess Wallace a Minor penalty (Interference). Face-off at nearest neutral face-off spot.**

4. Attacking player Dixon hits the puck with his stick above the normal height of his shoulders. The puck hits a defending player (other than the goaltender) then goes into the net. SRD.

**No goal. Face-off at the nearest neutral face-off spot.**

5. Attacking player Trevor kicks the puck, which hits a defending (not the goaltender!) player's skate and then enters the net. SRD.

**No goal. Face-off at the nearest neutral face-off spot.**

6. Attacking player Friday bats the puck with his hand. The puck hits a defending player (other than the goaltender) and goes into the net. SRD.

**No goal. Face-off at the nearest neutral face-off spot.**

7. Attacking player Copp shoots the puck, which inadvertently hits a teammate on the backside and deflects into the net. SRD.

**Goal!**

8. Attacking player Carnegie bats the puck with his hand. The puck then hits the shaft of his stick and goes into the net. SRD.

**No goal. Face-off at the nearest neutral face-off spot.**

9. Attacking player Flagg hits the puck with his stick above the normal height of his shoulders. The puck hits the defending goaltender on the arm and goes into the net. SRD.

**No goal. Face-off at the nearest neutral face-off spot.**

10. Attacking player Traub shoots the puck, which deflects off a discarded stick into the net. SRD.

**Goal.**

11. Attacking player Picco shoots the puck, which is deliberately deflected (not kicked) into the opponent's net by a team-mates skate. SRD.

**Goal.**

12. Attacking player Sepe kicks the puck, which hits the defending goaltender and then enters the net. SRD.

**No goal. Face-off at the nearest neutral face-off spot.**

13. Attacking player Fergenbaum bats the puck with his hand. The puck hits the defending goaltender and goes into the net. SRD.

**No goal. Face-off at the nearest neutral face-off spot.**

14. Attacking player Gardner kicks the puck, which deflects off the blade of a teammate and into the net. SRD.

**No goal. Face-off at the nearest neutral face-off spot.**

15. Attacking player Oakman shoots the puck towards the opponent's goal. A teammate skates towards the puck and deliberately twists his leg such that the puck strikes his shin pads and deflects into the net. SRD.

**No goal. Face-off at the nearest neutral face-off spot.**

16. Attacking player Fata bats the puck with his hand. The puck hits a team-mate's leg and goes into the net. SRD.

**No goal. Face-off at the nearest neutral face-off spot.**

17. Attacking player Kourtis strikes the puck with his stick above the normal height of his shoulders. The puck hits the leg of a team-mate and goes into the goal. SRD.

**No goal. Face-off at the nearest neutral face-off spot.**

18. Player Alicia scores! While enroute to the timekeeper's box to report the goal the opposing team points out that Alicia is clearly not wearing a neck protector as required by the rules. SRD.

**Goal counts. If first such offense by Alicia's team a warning is issued. Otherwise, Misconduct Minor (ineligible player) is assessed. Reference: Rule 3.6(f) and Situation 20**

19. Player Friday scores on a Penalty Shot. Before play resumes the team scored against requests that the referee measure the length of Friday's shaft, which is found to exceed that permitted under the rules. SRD.

**Goal counts. Friday: Minor (illegal equipment). Reference: Rule 4.9 Situation 11**

20. Is there any situation in which an equipment measurement or equipment certification check can result in the cancellation of a goal? If so, state the case book reference.

**No.**

21. Player Whiting scores on a Penalty Shot while opponent Mintz is serving a Minor penalty. SRD.

**Mintz' Minor is not terminated**

22. Player Hann is awarded a Penalty Shot. Hann dekes the goaltender and shovels a backhand towards the goal. The puck bounces off the goal post, hits Hann in the toe and goes into the net. SRD.

**No goal. Face-off at one of the nearest end zone face-off spots**

23. Player Lennox is awarded a Penalty Shot. Lennox fakes right and goes left but lets the puck slide cleanly through the goaltender's five-hole (the puck does not contact the goaltender) as he opens up and moves across the crease. The puck is trickling towards the goal line when Lennox finally taps the puck in while reaching back as he skates past the net. SRD.

**Goal counts**

24. Player Sitter is awarded a Penalty Shot. Sitter fakes right and goes left but the puck changes direction when it hits the goaltender's pads. After this contact, the puck trickles towards the left side of the net. Sitter reacts quickly and slams it in while it's still in motion and before the goaltender can cover it. Sitter's home town crowd goes wild! SRD.

**No goal. Face-off at one of the nearest end zone face-off spots**

25. Teammates Dave Black and Tyson Orlie have both been awarded Penalty Shots at the same stoppage of play. Black shoots first and scores!!!! SRD if the foul that drew Orlie's Penalty Shot was a vicious 2 handed slash delivered by Norm Belyea that did not injure Orlie.

**Orlie's Penalty Shot is cancelled.**

**Belyea: Major + GM (slashing)**

**Note: Belyea's Major served by player on the ice (when play stopped)**

26. Is there any situation that can result in the termination of a penalty in progress due to a goal being scored during a Penalty Shot? If so, state the case book reference.

**No.**

27. The Referee signals a penalty against player Cairns. But, before play is stopped...

a) The non-offending team is pressing hard in their attacking zone. One of the non-offending team's players shoots the puck back to the point. The puck hops over the defenseman's stick and goes all the way down the ice into the non-offending team's goal. SRD.

**Goal counts. Assess penalty to Cairns**

- b) One of the non-offending team's players shoots the puck at the offending team's net. The shot hits Cairns' shin pads and rebounds all the way down the ice into the non-offending team's goal. SRD.

**Goal is disallowed. Assess penalty to Cairns. Face-off at nearest neutral zone face-off spot**

- c) One of the non-offending team's players fumbles the puck while being pressured by Cairns and the puck ends up in the non-offending team's net. SRD if Cairns did not actually contact the non-offending player or the puck.

**Goal counts. Assess penalty to Cairns**

- d) One of the non-offending team's players attempts a pass out of his defending zone. The puck strikes one of Cairns' team-mates and goes into the non-offending team's goal. SRD.

**Goal is disallowed. Assess penalty to Cairns. Face-off at nearest neutral zone face-off spot**

28. When the goaltender goes to the player's bench to be replaced while play is in progress, exactly when is she considered "legally replaced"?

**Immediately when the replacement player comes onto the ice. Reference: Rule 2.5 Situation 5b**

29. List the 4 awarded goal situations that pertain to breakaways.

**Interference by an ineligible player from the (player's or penalty) bench**

**Fouled from behind – Reasonable scoring opportunity denied**

**Stick or object thrown or shot at puck or puck carrier**

**Interference from someone on the (player's or penalty) bench**

30. List the 3 awarded goal situations that may occur during a Penalty Shot.

**Stick or object thrown in attempt to stop the shot**

**Goaltender deliberately removes a piece of mandatory protective equipment**

**Net is deliberately dislodged**

31. List the 3 awarded goal situations that pertain to instances where the puck is shot towards the open net while the goaltender has been legally substituted.

**Puck intentionally covered or picked up in the crease**

**Net deliberately dislodged (by a defending player)**

**Snow or object deliberately placed on the ice prevents puck from entering the goal**
