### INSTRUCTIONS

Important Note: Before you attempt this assignment, be sure to correct all errors/omissions with the current edition of the Hockey Canada Referee's Case Book / Rule Book. Visit the Learning Centre at [www.refschool.com](http://www.refschool.com) to download a document that lists the necessary amendments.

This assignment should take less than 30 minutes to complete.

First, review the *Glossary* and the following rules (including their situations): Rules 2.5 Change of Players, 3.2 Broken Sticks, 3.6 Protective Equipment, 3.7 Dangerous Equipment, 4.11 Goaltender Penalties, 4.13 Calling of Penalties, 8.3 High Sticks and 10.3 Falling on the Puck. Second, download and study the protective equipment article/matrix in the *Learning Centre* at [www.refschool.com](http://www.refschool.com). Third, answer the questions quickly without referring to the case book. If you are unsure of an answer, type in your best guess. Fourth, download the answer key to this assignment by clicking on the applicable link found near the end of the *Learning Centre* webpage. Lastly, compare your answers with the answer key and analyse your strengths and weaknesses. Review the material as required.

If you are completing the assignment below by filling in the answers directly into this document using a word processor, answer **using blue coloured text if possible** in the space provided below each of the following questions. Include the "class" of penalty, the name of the infraction (or name of the rule under which the penalty is assessed) and all relevant "fill-in" information (i.e., location of face-off, requirement for a substitute, requirement to make a report to the President, etc.) in your answer.
